MYSORE DIOCESAN EDUCATIONAL SOCIETY

Mysore Diocesan Educational Society is marching successfully as an Apostolate of Education since 50 years and being conscious of the great efficacy of this work in the task of building up the human person and human society, M.D.E.S. has done commendable work in the field of education by providing value based quality education to thousands of children, even in the rural areas of Kodagu, Mandya, Chamarajanagar and Mysore. Adding yet another feather to its golden crown is the founding of St. Joseph's College for Women at Sathagalli, a mark of its golden Jubilee. Now from this academic year a new campus for St Joseph's College for Women at Ramnahalli marks a new beginning.

PRESIDENT'S KEYNOTE

"An educational institution is like a sacred tree under which thousands of students learn and grow as knowledgeable products. Under this tree we nurture with knowledge, care, love and affection so that they are prepared to face the challenges and be absorbed by the society as responsible and committed citizens. St. Joseph's Institute has constantly met and exceeded the educational needs of a diverse student population our great efforts in furthering this legacy have been our students and our efficient staff. We can assure with utmost conviction, that St. Joseph's will continue to provide all the resources needed by the students for their achievements".

Most Rev. Dr. K.A. William
Bishop of Mysore & President of MDES

FROM MDES SECRETARY'S DESK

'If you want to be powerful educate yourself', MDES has accomplished in the field of education through its yeoman service which has borne rich dividend touching the lives of more than a lakh students and transforming them and bringing about visible progress, not just in cities but also in remote rural areas. Our alumni have crossed borders and boundaries and have left their indelible mark in different sectors.

Rev. Fr. Vijay Kumar
Secretary & Correspondent, MDES

VISION

Empowerment of women to face the challenges of life through Value based holistic education and to establish a dynamic responsible happy peaceful society. We the Josephites believe in the tradition and culture of innovation and educational excellence.

MISSION

To mould every student to be physically fit, intellectually sharp, emotionally strong, morally upright, creative, disciplined, humane and responsible leaders who can contribute to the world of knowledge and the development of society.

WHAT IS IN NAME?

The sense of uniqueness is what a name indicates. In these days of mushroom growth of institutions the brand name St. Joseph matters. We understand the challenges faced by the students. We equip them to face these challenges. We have the experiences and expertise to guide our students. We impart value based quality education. Be a Josephite and be sure of a bright future.
